servnil f4bc01c98b - covid policy. 31/01/2022. I don't even know how I ended up ... I don't know what to start anymore. Is there anyone out there who can start? So: at some point in the middle of my first year, or maybe even the beginning of my second year, I wrote, "Hey, I want to write." I remember that I went to the library and picked up a book called "How to Write" to find an example of how I write. Then, one day, I picked up another book. I don't remember what it was called, but it had an example of how to write. I read and read and read, and it was fine!
